Bath & Body Works (Canada) Corp.’s Accessible Customer Service Policy: Providing Goods and Services to People with Disabilities

Purpose: Our *Accessibility Standards for Customer Service* (the “Standard”) has been established to ensure goods and services are, where possible, equally accessible to every member of the public.

Commitment to accessibility: We at Bath & Body Works are committed to providing a barrier-free environment for our customers. The objective of this policy (the “Policy”) is to ensure we meet the requirements of the Standard and promote the underlying core principles outlined below. We are committed to developing customer service policies and practices that respect and promote the dignity and independence of people with disabilities.

Bath & Body Works strives to provide its goods and services in a way that respects the dignity and independence of people with disabilities. We are also committed to giving people with disabilities the same opportunity to access our goods and services and allowing them to benefit from the same services, in the same place and in a similar way as other customers.

Core Principles of the Policy: We endeavour to ensure that the Policy and related practices and procedures are consistent with the following four principles:

1. **Dignity** – Persons with a disability must be treated as valued customers as deserving of service as any other customer.
2. **Equality of Opportunity** – Persons with a disability should be given an opportunity equal to that given to others to obtain, use and benefit from our goods and services.
3. **Integration** – Wherever possible, persons with a disability should benefit from our goods and services in the same or similar place and in the same or similar manner as any other customer. In circumstances where integration does not serve the needs of the person with a disability, goods and services will, to the extent possible, be provided in another way that takes into account the person’s individual needs.
4. **Independence** – Goods and services must be provided in a way that respects the independence of persons with a disability. To this end, we will always be willing to assist a person with a disability but will not do so without the express permission of the person.

Application: This Policy applies to all staff and customers of Bath & Body Works in Manitoba.

Practices, Procedures and Training: Bath & Body Works is committed to communicating with and serving our customers in a manner that demonstrates our commitment to accessibility.
